Bibs

Disposable and reusable bibs to protect the patient's clothing during meals, with different levels of absorption and stain protection.

Disposable bibs

- Made of absorbent white paper and an impermeable PE film
- With a collection pocket at the bottom for better hygiene
- Includes straps to tie it to the back of the neck

Dimensions

36x66 cm + 10 cm pocket

Ref.	Units/Pack	Units/Box
8100000*	125	500

Reusable adult bib - 3 layers

- 3 layers
- 45x90 cm
- Allows two neck adjustment positions
- PU laminated (waterproof layer)
- Protects clothing from stains and spills

Ref.	Units/Box
8100102	50

Reusable adult bib - Extra absorption 4 layers

- 4 layers
- 45x90 cm
- Allows two neck adjustment positions
- PU laminated (waterproof layer)
- Protects clothing from stains and spills

Ref.	Units/Box
8100103	50

Reusable bib PLUS

- The fastening method prevents pulling from the front and makes it easy to open and close
- Adjustable to two measurements

Ref.	Units/Box
8100101	20

* See annex with references.

Care for incontinence and urology

Hygiene, control, and safety in the recollection and disposal of fluids from patients with incontinence or reduced mobility.

PULPTECH medical waste macerator

NEW

Ref. 9000420

Macerator for the hygienic and safe disposal of single-use medical-grade pulp products.

- Fast cycle (~2 min) with direct discharge into the drainage system
- Hands-free opening and automatic cleaning after each cycle
- 545 mm x 448 mm x 900 mm

NEW

Pulp products

Single-use medical-grade pulp products.
Biodegradable and compatible with hospital maceration systems.

2 L pulp bedpan

Suitable for general hygiene care of patients with limited mobility. The wedge-shaped design slides underneath the patient without the need to lift or turn them.

Ref.	Units/Box
9000421	150

700 mL pulp kidney dish

Disposable kidney dish, ideal for holding a variety of medical items.

Ref.	Units/Box
9000422	300

3 L pulp tray

Disposable basin designed for bedridden patient hygiene, fluid collection, and containment of medical supplies.

Ref.	Units/Box
9000423	120

900 mL pulp female urinal bottle

Designed to conform to female anatomy in both lying and seated positions.

Ref.	Units/Box
9000424	40

1 L pulp round male urinal bottle

Designed for urine collection in lying or semi-reclined positions.

Ref.	Units/Box
9000425	100

930 mL pulp square male urinal bottle

Single-use square male urinal bottle, designed for enhanced stability on flat surfaces.

Ref.	Units/Box
9000426	110

NEW

2 L pulp circular bowl

Single-use circular bowl designed for bedridden patient hygiene, vomit collection, and fluid containment during clinical procedures.

Ref.	Units/Box
9000427	200

NEW

Wall-mounted stainless steel dispenser for pulp bedpans

Dispenser designed for the storage and dispensing of disposable pulp bedpans.

- Capacity for 100 disposable pulp bedpans
- Wall-mounted installation using wall fixings
- Manufactured from stainless steel

Ref.	Units/Box
9000428	120

NEW

Wall-mounted stainless steel dispenser for circular pulp bowls

Dispenser designed for the storage and dispensing of disposable pulp trays.

- Capacity for 200 disposable pulp trays
- Wall-mounted installation using wall fixings
- Manufactured from stainless steel

Ref.	Units/Box
9000429	120

NEW

Metal support holder for pulp urinal bottles

Metal support holder designed for the storage and dispensing of disposable pulp urinals.

- Includes shelf, chain, and lid
- Wall-mounted installation using wall fixings

Ref.	Units/Box
9000430	120

NEW

Cellulose wipes

Single-use hygienic wipe for cleaning and drying.

- Cellulose fabric
- Compatible with hospital maceration systems

Ref.	Units/Pack	Units/Box
9000432	100	800

Underpads

Reusable underpads

Designed mainly for the healthcare and geriatric sectors.

Reusable underpad with wings - 4 layers

- 4 layers
- 80x90 cm with wings (180 cm)
- Absorption: 450 mL
- Prevents staining of sheets and mattress

Ref.	Units/Box
8880431	5

Reusable underpad with wings - Extra absorption 5 layers

- 5 layers
- 80x90 cm with wings (180 cm)
- Absorption: 600 mL
- Prevents staining of sheets and mattress

Ref.	Units/Box
8880432	5

Sanitary Blanket

- Special blanket for operating theatre areas
- Suitable for home and healthcare use
- 3 sizes

Ref.	Size	Dimensions	Units/Box
