

Disposin one

Disposable sponges without soap

Disposin one is an individual sponge of maximum softness that provides a great comfort of use.

Is a hygienic single-use and recyclable sponge which is particularly suitable for personal hygiene and nursing care. The main feature is its softness when in contact with skin and the possibility of free choice of the gel as required by the patient's skin.

The product is specially destined to the care and cleaning of the skin, mainly, in people who require special attention.

Product information

SPONGE: White polyurethane foam. Latex-free.

DISPOSIN ONE, with its **SINGLE USE** concept, radically eliminates any possibility of repeat infection due to the total certainty that it will not be used again.

This product is not incompatible with other products.

Weight	Unit size
15kg/m ³ ±5%	13x8x2.5 cm ±5%

INSTRUCTIONS FOR USE

- Moisten the sponge **DISPOSIN ONE** and add the soap.
