INSTRUCTIONS FOR USE

As an antiseptic wash (fungicidal and bactericidal): Wet hands and forearms, apply 10 ml of cleansing solution, wash for 1 minute and then rinse. Rinse with water and dry with hot air or a disposable towel. As a surgical scrub: Wet hands and forearms, apply 5 ml of product, wash for 2 minutes and then rinse. Apply 5 ml and rub for 3 minutes. Rinse with water and dry with hot air or a disposable towel.

SPECIAL WARNINGS AND PRECAUTIONS FOR USE

For external use. Do not ingest. Do not inhale. Do not apply to broken skin. Avoid contact with eyes, mucous membranes and sensitive or diseased areas of skin. May cause skin or allergic reactions. Do not use in persons sensitive to any of the components, on extensive areas of skin, for prolonged periods of time or with non-breathable fabrics. Do not mix with other products. Do not use in newborn infants. Keep out of the reach of children. Use with caution in children under 2 years old. May cause chemical burns to the skin. IN CASE OF INTOXICATION OR ACCIDENTAL INGESTION, call a POISON CENTRE, Tel: +34 91 562 04 20, or a doctor. To avoid risks to people and protect the environment, follow the instructions for use. Do not expose to temperatures above 30°C. Keep in a cool place. Protect from sunlight. It should be disposed of correctly, avoiding release to the environment. Single use brush. Discard after application. Causes serious eye damage. Harmful to aquatic organisms, with long-lasting effects. Do not use with anionic detergents or together with chlorinated derivatives.

STORAGE AND SHELF LIFE

Store in a cool, dry place. Protect from sunlight.
