

Dispoglove aloe vera

Disposable soapy mittens with aloe vera extract

Dispoglove aloe vera is a soapy mitten that provides great comfort.

Hygienic mitten, specially indicated for sanitary and healthcare use, disposable, ready to release all its properties when it comes into contact with water. It contains a dermatologically soap cleanser with aloe vera extract that helps to maintain the protective barrier of the skin and also provides a pleasant and fresh aroma.

Ergonomically designed to avoid getting out of hand during its use.

The product is especially intended for the care and cleaning of the skin, mainly in people who require special attention.

Ingredients	Aqua, Sodium Laureth Sulfate, Sodium Chloride, Cocamide Dea, Cocamidopropyl Betaine, Potassium Sorbate, Sodium Benzoate, Citric Acid, Parfum, Aloe Barbadensis, C.I. 47005, C.I. 42090, Linalool.
-------------	---

Each mitt contains 2-3g of soap before drying.

Microbiological quality control.

This gel is specially formulated with concentrated emollient ingredients to protect the skin. This may reduce foaming during use, but does not diminish its skin cleansing properties.

Instructions for use

A few drops of water suffice to activate the cleanser in **Dispoglove aloe vera**. **DO NOT IMMERSE**.

- Gently rub and lather the skin.
- Rinse with water.
- Dry skin thoroughly after washing.
