-------------	---

Each mitt contains 2-3g of soap before drying.

Microbiological quality control.

This gel is specially formulated with concentrated emollient ingredients to protect the skin. This may reduce foaming during use, but does not diminish its skin cleansing properties.

Instructions for use

A few drops of water suffice to activate the cleanser in **Dispoglove plus**. **DO NOT IMMERSE.**

- Gently rub and lather the skin.
- Rinse with water.
- Dry skin thoroughly after washing.
