

DISPOYOD

Povidone-Iodine Solution at 10%

Antiseptic for healthy skin. Disinfects the skin prior to any type of intervention.

PRODUCT INFORMATION

INDICATIONS: Antiseptic for healthy skin. Disinfects the skin prior to any type of intervention.

COMPOSITION: Povidone-Iodine Solution at 10%.

Polyvinylpyrrolidone-Iodine 10% (1% available Iodine).

Excipients qsp 100%.

PHYSICAL PROPERTIES

Appearance: Liquid with no suspended particles

Available iodine (%): 1 ± 0.3

Density (g/ml): 1.033 ± 0.03

Colour: brownish-yellow

pH: 4.5 ± 1.5

Solubility: water and alcohol soluble

HOW TO USE

Use a small amount of the product by rubbing until foam is obtained for 2-5 minutes. Rinse abundantly with water or sterile gauze impregnated with water.

EFFICACY

BACTERICIDE

UNE-EN 13727:2012+A1:2014 Chemical disinfectants and antiseptics - Quantitative suspension test for the evaluation of bactericidal activity in the medical area - Time: 1 and 5 minutes in the medical area under dirty conditions.

UNE-EN 12791:2016 Chemical disinfectants and antiseptics - Surgical hand disinfection - Time: 5 minutes under real conditions of surgical use on microorganisms present on the hands of volunteers.

LEVURICIDE

UNE-EN 13624:2014 Chemical disinfectants and antiseptics - Quantitative suspension test for the evaluation of fungicidal or yeasticidal activity in the medical area - Time: 1 and 5 minutes on medical instruments in dirty conditions.

MICROBIOLOGY STUDIES

Parameter	Tolerance	Units
Total aerobic org.	< 100	CFU/ml
Moulds & yeasts	< 100	CFU/ml
<i>P. aeruginosa</i>	Absence in 1g o ml	CFU/ml

Parameter	Tolerance	Units
<i>S. aureus</i>	Absence in 1g o ml	CFU/ml
<i>E. coli</i>	Absence in 1g o ml	CFU/ml
<i>C. albicans</i>	Absence in 1g o ml	CFU/ml

WARNINGS

Do not swallow. External use only. Harmful to aquatic organisms, with long-lasting harmful effects. Causes serious eye irritation. Avoid contact with the eyes, mucous membranes and sensitive skin areas. If the product comes into contact with the eyes, rinse carefully with water for several minutes. Remove contact lenses, if worn and is easy to do. Continue rinsing. Do not use with mercury-based substances. Do not use on people sensitive to the components or in extended areas of the skin or for a prolonged period of time. Do not mix with other products. Do not use on people with thyroid problems. Keep out of the reach of children and away from food and beverages. Do not use on new-borns or women who are pregnant or nursing. Use with caution on children under 2. In the rare case that it produces skin irritation or allergies, stop using it. In the event of intoxication or accidental ingestion, call the Toxicology Information Service. Tel.: +34 91 562 04 20. Follow all instructions for use to prevent any risks for people or the environment.

STORAGE

Do not expose to temperatures exceeding 30 °C. Store in a dry place. Protect from sunlight.
